

CABINET OF MINISTERS OF UKRAINE

RESOLUTION

No. 985, dated August 1, 2007

Kyiv

On Matters Related to the Circulation of Food Products
Containing Genetically Modified
Organisms and/or Microorganisms

Further to the Laws of Ukraine "On Consumers' Rights Protection" and "On Food Products for Children", and in order to bring Ukrainian laws into compliance with the standards of the European Union, the Cabinet of Ministers of Ukraine **hereby resolves as follows:**

1. Food products containing more than 0.9 percent of genetically modified organisms and/or microorganisms shall be imported and sold only if properly labeled with indication of the qualitative composition of such products. Import, manufacturing, and sales of children's food products containing genetically modified organisms and/or microorganisms shall be prohibited.
2. The Ministry of Health, the Ministry of Agricultural Policy, the State Committee for Technical Regulation and Consumer Policy, within their respective competences, shall ensure the implementation of this Resolution.
3. This Resolution shall enter into effect on November 1, 2007.
